

President's Message—Kurt Steidle

June in Bloom!

We are on the edge of a busy summer. The 2024 Raffle Car tickets are now available and we have three months to go until the winner is announced at Corvettes at Carlisle on Saturday, August 24th. This activity has become one of several key events for the club. It provides significant support for our club charity and brings the club positive recognition. We know this because our club has won the NCCC Roger Clancy Humanitarian Award for our charitable efforts in 2020 and 2022.

Last year, we had 46 members (out of 120 members) participate in helping to sell tickets. Only some of those sales were to members themselves. That is disappointing. Granted, we do very well each year at the Corvettes at Carlisle show and even if we have a history of selling out early – nothing is guaranteed. This is a great project that has a high return for the club in terms of revenue, recognition and respect. Currently we have 124 members. We should be able to do better than 38% involvement!

Coming quickly will be our second Autocross of the year on Sunday, June 9th and our Corvettes at Stauffer's of Kissel Hill show on Sunday, June 16th. Both events need your support. Sign-up

sheets were circulated at the May meeting. I was also disappointed to learn that at that time, we only had five pre-registered for the Stauffer's show and one of those was a non-member! Hopefully, pre-registrations will have picked up considerably by the next meeting on June 12th.

By the time you read this we will have had our annual parade-fest over the Memorial Day holiday. Those parade days are always fun and a great way the club interacts with our community. To all our veterans, thank you for your service and I hope you had a wonderful holiday!

The club enjoyed a wonderful time at Clipper Stadium on May 19th despite the Stormers losing to York. In the coming weeks, we will have enjoyed the 'Daniel' show at Sight & Sound Theater, the East Region will have had their annual show (this year in Morgantown) and we will enjoy two popular car shows – Perry County's Spring Register Show and LCBC's annual motorsports show in Mount Joy. The bottom line is that there are lots of things to choose from within our club, it's up to you to get involved.

Keep in mind that at our June general membership meeting, Vice President Cody Howry provide a

General Meeting and Executive Board Summary

General Meeting—May 8, 2024

The May general meeting of the Lancaster County Corvette Club was held on Wednesday, May 8, 2024 at the East Petersburg Fire Hall. The meeting was called to order by President Kurt Steidle at 7:28 PM with the Pledge of Allegiance to the flag.

Guests: Joe Turek and Abby.

Governor's Report—Scott Breneman

Scott Breneman reminded everyone of the event at the Classic Auto Mall in Morgantown on 6/1/2024 and 6/2/2024. It would be great to see a showing of members at this event since it is so close.

President's Report—Kurt Steidle

Kurt Steidle provided an update about the raffle car. The tickets are being printed now. Kurt is hoping we will get them in the next few days. He will reach out for assistance to stuff the envelopes once the tickets are received. He also stated that he has reached out to Clare House to assist with getting the word out about the raffle. They are very excited to assist with this and reported they are purchasing additional homes with the funding they have received. This will allow them to have 10 boarding rooms instead of the 7 they currently have.

Kurt used the projector to do a tour of the LCCC website and show how to navigate the site on a computer/laptop and also on a smartphone or tablet.

Vice President's Report—Cody Howry

Cody Howry reported the Instagram page is up and running. Please send any photos you may take at events to the club email so they can be uploaded to the page. This page will be used to show events that are coming up as well as photos from events that have occurred. Cody will do a review of Instagram next month at the General Meeting.

Membership Report—Mike Baker

Mike Baker presented an application for Marlin Stoltzfus. After a motion from Angie Evans and a second by Scott Breneman, all in favor and Marlin was confirmed as a new member of LCCC. This brings our current membership to 124.

Newsletter Report—Tony DeFelice

Tony DeFelice is away on business tonight.

General Meeting and Executive Board Summary

LCCC April E-Board Meeting Minutes

The Executive Board Meeting of the Lancaster County Corvette Club was held on Wednesday, May 22, 2024, at the Baker's home beginning at 7:03 PM. Present were Rick Evans, Jim and Sharon Roberts, Mike and Sue Baker, Scott Breneman, Kurt and Joanie Steidle, Lisa and Tony (via Zoom) DeFelice.

Member News: Deb Sumpman had a procedure on Friday. Steve Colucci is doing well after being hit by a foul ball at the Stormers game.

Old Business: Trailer maintenance- Awning was assembled. Rick and Scott will make arrangements with Mike to bring the trailer to his garage to complete the roof.

Raffle car- 311 tickets have been distributed so far. Mike will take 20 tickets to Whitmoyer this week. Clyde took 100 tickets to Clare House and has 100 tickets. Tony discussed having a smaller volunteer group at GM Nationals this year compared to last year. He is thinking 4 people would be plenty (6/20 and 6/21). Jody at Carlilse has the most updated flyer and will need the count for GM Nationals. Carlisle Productions is asking that we hold some tickets back so we have some for Saturday. Tony will reach out with our plan.

Instagram and Facebook- Kurt shared that a lot has been happening on Facebook, Instagram and through emails. Clare House put out a very nice announcement. The information on our Instagram has had 380 views. We had an order come in through the mail which Scott picked up in the mailbox. Kurt also shared that the website has seen a huge increase of people going to our site (this could be attributed to our partners putting information out about the raffle car and directing people to our website).

Activities - Multiple parades coming up this weekend for Memorial Day . There are currently 13-15 cars going to Perry County on 6/8/24. There will be members meeting to go to LCBC together also on 6/8/24. There was discussion about whether a new banner should be purchased for the Club. Mike will check around for prices and bring them back to the board for approval.

The Secretary's report for May's General Meeting minutes was approved after a motion by Scott Breneman, seconded by Mike Baker and passed by all.

The Treasurer's report was emailed by Carl for review. Kurt reviewed the current balance of \$13540.66. Report was approved after a motion by Sue Baker, seconded by Scott Breneman and passed by all.

Cody was not able to attend the meeting tonight.

Kurt reported he received an email on the website from someone considering selling a Corvette that was built for cancer awareness for their daughter. It is a Custom 1975 Corvette. Kurt noted he would notify our membership.

Governor's Report: Scott reported about the Easter Region Event in Morgantown the weekend of 6/1/2024.

Mike reported we have 126 current members (76 Primary and 50 Secondary). There was a discussion about ordering new membership invitation cards and adding new email addresses, Instagram and Facebook addresses as well. Mike will also look to add a QR code for the membership form.

Tony has a running list of events instead of the way he used to list events and asked for feedback. Everyone reported not hearing anything negative on the list. Tony will reach out to Steve to get updated information on dates to get rid of some of the "TBA" next to events and put the date scheduled.

New Business: The team looked at upcoming dates for E-board meetings to get locations for the remainder of the year. Tony and Lisa will host in July, Joanie and Kurt will host in August and Mike and Sue picked up October. At the next meeting, will look to fill September, November and December.

There being no further business – motion to adjourn by Sue Baker, seconded by Scott Breneman and approved by all- the meeting was adjourned at 8:04 pm

LCCC Instagram

We are thrilled to announce the launch of our official Instagram account! Instagram is a fantastic platform for sharing photos, videos, and stories about our beloved Corvettes, and we can't wait to connect with you all there. The Instagram account can be found under the username of: [lcccpa.club](https://www.instagram.com/lcccpa.club)

For those of you who may be new to Instagram or unsure how to get started, we've put together a simple guide to help you navigate to our page:

1. **Open Your Web Browser:** You can access Instagram from any web browser on your computer, smartphone, or tablet.
2. **Go to Instagram's Website:** In the address bar of your web browser, type in www.instagram.com and hit Enter. This will take you to Instagram's homepage.
3. **Search for Our Account:** Once you're on Instagram's homepage, you can search for our account by typing "[@lcccpa.club](https://www.instagram.com/lcccpa.club)" in the search bar at the top of the page and pressing Enter. Our official account should appear in the search results.
4. **Click on Our Profile:** When you see our account in the search results, click on it to view our profile. You'll be able to see all of our posts, stories, and highlights from there.
5. **Follow Us:** To stay updated on all of our latest posts and activities, click the "Follow" button on our profile page. This way, you'll see our content in your Instagram feed whenever you log in.

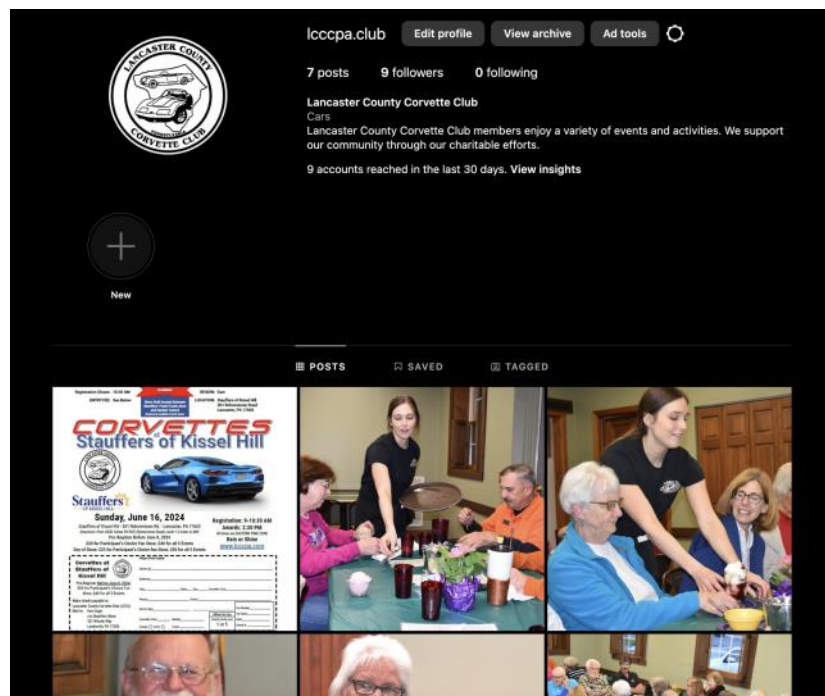

If you prefer using a mobile device, you can also download the Instagram app from the App Store (for iPhone users) or Google Play Store (for Android users) and follow the same steps outlined above.

We're excited to share our Corvette adventures with you on Instagram, and we hope to see you there soon!

If you have any questions about this new addition to the club, please feel free to talk to us in person at the monthly meeting or shoot us an email!

Thank you!

Mary Beth Van Kirk: A Mather's Lasting Influence

By NCM

Tom Peters, a retired Corvette designer and Member of the Corvette Hall of Fame was inspired by his mother, a talented artist, to work in the design field. In honor of Mother's Day, The National Corvette Museum asked Mr. Peters to recount memories of his mother, sharing this tribute.

AS TOLD BY TOM PETERS

My mother, Mary Beth Van Kirk, was born in 1927 in Independence, Missouri, as the youngest of five, with three brothers and a sister. Her teen years were during the Second World War, which her brothers all fought in. I did not know all her interests growing up, but she must have had a wonderful artistic vision. I came to realize that in her many endeavors, such as raising a family, painting, fashion, home décor, and maintenance, she was incredibly capable and creatively self-sufficient. Mom was much more adept with tools than Dad, which I attribute to her growing up with three brothers. This was infectious and certainly had a powerful influence on our family. She was always our biggest supporter and contributor whether it was school projects, tree forts, bikes, or the infamous downhill racers.

Neighborhood kids would roll side by side down our hill on Hamilton Street in what we thought were death-defying races. The objective was to knock each other off the road before reaching the bottom. I had switched the TV to the latest episode of Route 66. Todd and Buzz just pulled onto the

racetrack to view the new 'Stanglini' race car as the iconic Nelson Riddle theme played in the background. The open-wheeled screamer was impressive, and so was the name, as a car-crazy 10-year-old, I was inspired. Mom was always poised to help me and my four siblings with our crazy projects, like when I worked with old Radio Flyer parts, scrap lumber from nearby construction sites, and bike parts to construct a four-wheeled contraption that would become my next downhill racer. On one side of our racetrack was a concrete culvert, and on the other, a swampy ditch. After climbing from the wreckage, we packed mud on our wounds and headed back up the hill for another run. I am not sure Mom knew exactly what we were up to, but they were good times.

Growing up in Minnesota was a wonderful experience, with endless lakes and woods to explore, there was no shortage of adventures or projects for us to embark upon. My siblings all spun within unique orbits, but Mom was able to manage everyone without nannies or tutors, and no second car,

NCM Ambassador's Corner – Mary Anne Lewandowski

seeing as my father traveled for weeks at a time for business.

Most, if not all, car designers and engineers built model cars and airplanes when they were young, and I was no exception. I recall working on the dining room table, gluing and painting. Mom was okay with this if there was a newspaper underneath our work. Of course, I did spill occasionally, but she would respond with words of caution and tips for prevention. Mar, as we kids began to lovingly call her, seemed to understand our wide scope of interests during our teen years. I would collaborate with my buddies on engines, painted cars, and motorcycles in our carport! Her positive disposition gave me the confidence to explore. I think I can speak for my siblings when I say that she was always there for us growing up and throughout our adult lives. Amid the chaos, she handled everything with strong faith, elegance, and grace.

I have always loved the building process and Mar was full of ideas and inspiration. I was blessed to have such an amazing person as my mother. I have experienced situations where friends' parents dissuaded their kids from pursuing artistic endeavors, understandably fearful of them not making a good living as adults. However, I have always believed in pursuing one's passions because of Mars' influence. Good decisions, hard work, and a bit of luck, as my siblings and I have personally experienced, can lead to lives that are happy, successful, and rewarding.

Our father passed away when I was twenty-one. As you would expect, this was a trying period, but it became clear that the most crucial element of our lives is family. Mom would tell us that we were the reason for her forging ahead through that challenging time. One of my fondest memories was after I was accepted to the Art Center College Design in California. It was made apparent that I would need a loan to get started at this expensive school. Being the single parent of five kids, she knew this was going to be a challenge. I recall her driving me to our neighbor-

hood bank to take out a \$10,000 student loan during the mid-1970s. This might as well have been a million dollars, but Mar did not hesitate as she knew this was a once-in-a-lifetime opportunity! She continued her support throughout my schooling and onto my amazing career with General Motors Design.

My siblings and I had individual pursuits, but she energized us to succeed in our unique directions. Looking back, Mom was always ready to lace up hockey skates, shuttle us to little league games, mentor and challenge us throughout our lives. Mar, I could not have done it without you. I miss you so much and think of you every day. I am truly blessed to have you as my mother. You are worthy of having your own Nelson Riddle theme music.

Christmas Angels

Thank you for the great response to our Theme Basket sign-up. So far there is a commitment to 18 theme baskets. We would love to have at least 25 baskets. So, with this in mind, we will be sending the sign-up sheet around again at the June meeting. This is for those who weren't at the May meeting or those who weren't sure at that time what they wanted to contribute.

A few additional suggestions have been added but your own ideas are definitely welcome. If you aren't going to be at the June meeting but are willing to prepare a basket just give a call (717-664-2338) and your name and the theme of your choice will be added to the list. These baskets are a big draw and make life a lot easier. We can provide the basket if you need one and wrap the completed basket for you as long as you have everything to us by basket making day in September.

We will still be making baskets from the random items that are contributed, so be on the lookout for some good things at your neighborhood garage sale or local reuse-it store. I went to Community Aid in Lancaster looking for baskets and found a few really nice things I thought we could use.

Remember the items you donate should be new, or like new, and up-to-date

Thanks,

- Deb and Angie
