

President's Message—Kurt Steidle

Hot August Nights and Days...It's just Hot, Period!

It's August and it's hot, enough said. We got through July with the help of a few ice cream runs so maybe there's more ice cream coming in August. In any case, we are finishing up our annual Raffle Car charity project this month in association with the Corvette at Carlisle event. **Make sure you get your sold and unsold tickets back to Tony and Lisa DeFelice at the August General Meeting on Wednesday, August 14th.**

Over the past three meetings, three presentations have been made to help members better utilize tools the club uses to share information – the club website (www.lcccpcpa.com), our new Instagram portal and our Facebook page. Please make use of these tools as your Executive Board works very hard to keep you informed and up-to-date on club business.

I have a request to members regarding the distribution of club email messages. We refer to these as 'email blasts'. Typically, these messages go out to the entire club to make everyone aware of upcoming events or other timely issues. At the beginning of these emails is a notice that you should not re-

ply to the message but contact the member submitting the email blast.

All too often, more than a few members do not read the message and reply to club email box. That's not how this works. The club does not have a corresponding secretary. Since these messages are facilitated by either myself or the membership chair (Mike Baker), if you reply directly to the message, your reply is not reaching the correct person. The introduction has always included the instruction to not reply to this message but to contact the person in the message. I have tried to improve this, first my making the type size larger than the rest of the message with the words (in all caps) "PLEASE DO NOT REPLY TO THIS MESSAGE." That was followed by the instruction: "If you have questions, contact the person in the message." That is followed by the name and email address and sometimes the phone number of the member who asked to put the information out to the club. Lately, I have added a yellow highlighter to the text and still we have people just clicking 'reply'.

Sorry, I will not forward these replies. Thanks for letting me vent. Have a good August and go out and enjoy your Corvette!

- Kurt Steidle

Shows

- Stauffer's Show Wrap-up - Ken is waiting on final numbers, but at last check we had netted over \$1600. Troy Howry completed the printing which saved a lot of money for the club. Ken also noted that he did not have to purchase any door prizes due to donations which also saved money. Big donations from Advanced Auto, Auto Zone and Stoner Industries in Quarryville .

- American Legends—Mary Anne has flyers and business cards for the Legends Show. Mike and Pete picked up flyers to distribute at Mt. Joy show on 7/27/24. The sign up for helpers at the Legends show will be sent around at next month's meeting.

Doug Desmond has collected donations for future shows- he will get with Mary Anne Lewandowski, Mike Baker, Angie Evans and Deb Sumpman to see what can be used for the Legends show and the Christmas Angel baskets

General Meeting

- 2024 Raffle Car Updates—Tony reported that there are currently 71 tickets sold as of tonight. 473 tickets are in distribution. If you need tickets, please contact Tony or Lisa DeFelice. The car is here and should be delivered to Carlisle this week. Tony has flyers for anyone who would like to take some to distribute. We have sold 334 tickets as of tonight: about 1/3 of the way there. 200 tickets are currently in circulation. Please sell- the flyer is on Facebook and can be shared from there as well. .
- Reminder that Eaglemania is scheduled 7/12/24. Meet at 5:30 pm at Reflections for dinner before the show.
- Ken Unger shared LS engine issue. His vehicle has a Corvette LS3 engine. While daughter was driving, heard a bang and car started shaking- a piston went through the engine block. A broken valve spring caused the issue- 34,000 miles on the car. LCCC discount helped out with the cost of a replacement with Whitmoyer.

There being no further business or comments- Jan Gerhart motioned for adjournment, seconded by Scott Breneman. All were in favor. The meeting closed at 8:29 PM.

Christmas Angels

The time is fast approaching --- we have less than two months before the Legends Car Show and Basket Fundraiser for Clare House. Here is where the basket raffle and silent auction stands at this point. Twenty-six people have signed up to provide a nice variety of theme baskets. We have a lot of car care products, with many full buckets of products. We also have some books and puzzles. Although we have some, we don't have the large assortment of random and seasonal items that we have had in the past. That being the case, our theme baskets and car care products will most likely be our biggest draw. If you haven't signed up for a

Christmas Angels

theme basket please consider doing so. A basket doesn't have to be big or over the top. You don't even need to put the things in a basket. Just bring us a minimum of 4 or 5 related items and we'll do the rest. If you need an idea for a theme let us know. We have 8 -10 simple easy themes with suggestions for components.

Also it would be great to have a variety of gift cards. If you regularly patronize a business, be it an eatery, hardware store, hair or nail salon, hobby store, (you get the idea) please ask if they would donate a gift certificate for a great cause. Keep in mind locally owned and operated businesses are more likely to do this than large national chains. To entice a business to give a gift card you could offer to buy one of equal or greater value. You can always keep the gift card you purchased for later use. Mary Anne and Mike have prepared a great cover letter with tax payer ID number and certification along with sponsorship information. I (Deb) have one available for every business I approach. Some may want it, some won't.

Basket making will take place on Tuesday September 10 starting at 9:00 at the Sumpman's. Because this date is before the September meeting, bring any random or theme basket items that need to be "packaged" to the August meeting. If your theme basket is show ready (in a basket, in a cellophane bag, with a bow) you can wait to bring it to the September meeting or you can bring it to the club picnic at the Sumpman's on September 21st. A sign-up sheet will be passed at the next meeting for those would like to help put baskets together.

Let's make this basket raffle and silent auction a really special part of the car show, and something that will attract a crowd of it's own.

Artifact of the Month: Sinkhole Car Keys

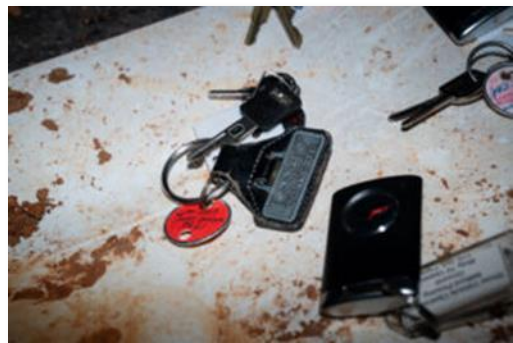

Article by: NCM

The news coming out of Bowling Green, Kentucky on February 12, 2014, was unbelievable. A sinkhole had opened in the National Corvette Museum's Skydome during the early morning hours, swallowing eight cars. The Corvettes plunged 30 feet into a previously undiscovered cave. In the following weeks and months, visitors would flock to the Museum to see the sinkhole for themselves. Meanwhile, staff pondered how to recover the damaged Corvettes and repair the gaping hole in the floor of the Skydome.

One thing that the Museum staff did not have to worry about was locating the keys to the eight Corvettes. Since the keys were stored separately from the cars, none were lost or damaged in the sinkhole. All eight keys will be on display in the Museum's new exhibit *Ground to Sky: The Sinkhole Reimagined*. The exhibit looks back on a decade of progress at the Museum, a period of growth catalyzed by the staff's response to the sinkhole. Along with several of the sinkhole Corvettes, *Ground to Sky* includes personal interviews with Museum employees, displays reflecting on the Museum's history, and a peek into the possible future of Corvette.

Just like the automobiles they start, these keys provide a snapshot of the Corvette's evolution. The oldest car, a 1962 Tuxedo Black Corvette, comes with a simple set of unadorned keys. Several of the later cars come with special keychains signifying their uniqueness, including the 1992 One Millionth Corvette and the 1984 PPG Indy Car pace car. The keys to the 2001 Mallett Hammer Z06, the last Corvette pulled out of the sinkhole, include a traditional metal key, multi-button fob, and a Corvette club keychain from its original owners. The 1.5 Millionth Corvette and the ZR1 Blue Devil, both from 2009, have sleeker key fobs with the sixth-generation Corvette crossed flags on the back.

All that remains of the sinkhole today is a floor hatch in the Skydome. The Blue Devil, One Millionth Corvette, and 1962 were all restored and are on display in *Ground to Sky*. Visitors can also see the 1.5 Millionth Corvette and the 1993 ZR-1 Spyder just as they came out of the sinkhole. These cars, and their keys, are symbols of resiliency in the history of Corvette and the Museum.

Front Page Feature Corvette— Travis Gramley

But wait...if one is good, two is better...

I have loved cars as long as I can remember. Throughout the years, I have had various fun cars such as a 1976 Chevy truck, 1969 Chevelle SS, and 1995 Camaro Z-28. I currently have a 2015 Camaro SS which I cammed and supercharged.

I have always dreamed of having a Corvette. My wife and I were talking about getting one down the road and discussing which one we should get. We came to the decision we both liked the C3 due to the sleek style being eye catching. We began the great search for our one day car. While pe-
rusing on the Internet I found the one I wanted and in the color I wanted. I found a 1977 Atomic Orange Corvette that was at Jackson's Auto Sales in Salunga, PA. As soon as I saw the car, I knew it had to be ours. In the short time of ownership we have enjoy taking it out for rides with the top off.

Update-Since submitting the article right before the last meeting, we needed to send an update. After attending the last meeting (which my wife attended), we decided to sell the Camaro SS due to the fact my wife liked the 1977 Corvette so much and I no longer get to drive it; she has claimed it as her own. After leaving the last meeting and on the way home that night, we decided to buy another Corvette. The next day we went out and purchased a 2006 Velocity Yellow Corvette convertible. This Corvette style has always been my favorite. I grew up watching C6 Corvettes dominate in IMSA racing. My wife and I look forward to many club events ahead, not sure what car she will drive and leave me the other but at least its a win with two great cars to choose from!!

It's that time—calling in all outstanding raffle car tickets. Please get all sold tickets and money as well as all unsold tickets to me by August 14th at the General Membership Meeting. Lisa and I will be prepping for the big selling event at Corvettes at Carlisle.

This year we are taking a more organized approach to selling at the show. Below are the roles and information for those of you who volunteered to participate. As always, we very much appreciate all the time and effort our club members put forth to make this successful each year.

Any questions, please contact Tony (afdefelice@comcast.net/717-324-6962); Lisa (lisadf80@comcast.net/717-951-8706).

- For efficiency, I have assigned three specific duties, I ask that you stay within the assigned duties and follow these instructions:
 - SELLER – this means you are **OUTSIDE** the tent with tickets in hand selling to our buyers. You are responsible for:
 - Approaching potential buyers and making the sale
 - Bringing buyers to the table to fill out the ticket(s)
 - Taking the money BEFORE you give any tickets
 - Giving the completed transaction to the RUNNER
 - RUNNER – this means you are **INSIDE** the tent taking the completed tickets and money from the seller and giving to the MONEY BOX. You will ensure the following:
 - Ticket is complete and legible – especially the phone number
 - Money is correct and correct change is given
 - Transaction is given to MONEY BOX – ONLY THE RUNNERS WILL APPROACH THE MONEY BOX PERSON
 - MONEY BOX – This person has control over the money box and is the only person putting money into or taking money out of the box.
 - *Note: This is being done due to errors that creep into the transaction over the course of three days. We want to ensure that all transactions are correct and the full amount is provided to our charities.*
 - Double check that each transaction is correct
 - Double check for legibility of the phone number
 - Make change for the transaction when necessary
 - Pull out cash and checks for safe keeping when the money box gets full
 - Ensure the money box is not ever left unattended
- Please arrive at least 10 minutes before your shift so we can make sure all necessary positions are covered and last minute pointers can be given.
