## Annual Dinner Meeting Celebration

After a missing a year in 2020, club members gathered on December 8th at Enck's in Manheim for the annual Christmas Dinner and General Meeting.

This year's event had a big turnout in excess of 70 members who attended the meeting followed by a banquet meal, gift exchange and Christmas music.

As is customary, Clare House representatives joined club members. This was our opportunity to present our annual gift to them. Representing Clare House were Kate Knight, Vice President of the Board and Mandy Richardson, Clare House Executive Director.

Governor Clyde Mooney (left) and President Kurt Steidle (right) present the club's donation to Kate Knight (second from left) and Mandy Richardson of Clare House.

Angie Evans performed a number of seasonal songs to the delight of the members.

The traditional gift exchange (give one, get one) was held just before Vice President Steve Witmer as Master of Ceremonies kicked off

the caroling with members of his family joining in.

Thanks to Steve Witmer for organizing the evening along with a special thank you to Rick and Angie Evans for their help.

## Happy New Year

### President's Message

Once again, another year in 'in-the-books'. This is no surprise of course but it does reinforce the fact that time does in fact march on regardless of anything including a pandemic.

The past year has provided some relief to the relentless stress that has become everyday life. It is especially nice that our club is a respite from our divided society and we can enjoy the friendship and comradery of each other.

We began 2021 with Zoom meetings, returning to the familiar confines of East Petersburg Fire Hall in May. As

## Notice for next meeting

Due to unplanned and unforeseen issues, Tony and Lisa DeFelice will not be able to fulfill their positions on the Executive Board. Work and family issues have forced them to notify the board that they cannot take the Vice President and Secretary positions they were elected to in November.

A special election will take place at the meeting in January to fill those positions.

Our thanks to Tony and Lisa for being so active and willing. They are remaining members but will not be as available as they have been in the past.

# 2021 Club Award Nominations

## Five Awards to Be Presented at The Annual Awards Banquet and Dinner Dance in March.

The club's Annual Awards Banquet and Dinner Dance returns after last year's COVID shutdown. Vice President Steve Witmer is working on the banquet details. The flyer for making your reservation is on page 17 of the newsletter. A deadline of January 15, 2022 is set to enable all of the preparation to be completed on time.

At the October meeting, President Kurt Steidle announced that he will be organizing a committee to review nominations for the awards. This year we have reduced the categories to five, eliminating the Club Ambassador (not to be confused with the National Corvette Museum Ambassador) and the Charity Champion.

The following are the award categories with a description of each:

**LCCC Lifetime Achievement Award**—One person, recognized annually, for the consistently outstanding participation, involvement and contributions to the club throughout their membership tenure. Recognition should be limited to those individuals who have been members for 15 years or more.

**LCCC Outstanding Worker**—Recognition of an individual that consistently 'steps-up' to lead, organize or simply help with events and activities throughout the year.

**LCCC Unsung Hero**—Recognition of an individual member that typically 'flies below the radar', but consistently shows up, [participates and gets involved in a variety of club activities.

**Outstanding Couple**—Recognition for the couples who both actively participate in the club's various activities and events, including taking leadership/organizing roles in a variety of activities or events.

**Outstanding New Member**—Rookie recognition of an individual members who have recently joined the club (since July or the previous year). These new members have jumped in 'head first' to participate in activities or events and actively support the club.

To nominate members for these categories, send an e-mail to Kurt Steidle at [kws1882@ptd.net](mailto:kws1882@ptd.net) with the name (s), category and a short statement why you believe the member should be recognized. **The deadline for nominations is January 15, 2022.**

In 2021, we awarded a Lifetime Achievement Award to Tom Henman. No other awards were presented.

## Governor's Report—Clyde Mooney

I attended the final 2021 East Region Governor's Meeting on Saturday, December 4, 2021 which was held at the Holiday Inn, Grantville, PA.

Prior to the general meeting, John Cantelmo and David Walter chairs for the 2022 NCCC National Convention gave a brief presentation on the status of the convention. Without going into great detail, plans are coming together nicely and it should be a great event with something for all to do. There will be the usual competition events plus parties, day trips, a Corvette mall, hospitality suite, valve cover races, etc. Of course, LCCC is responsible for the autocross and our own Ali Murphy is scheduled to provide the entertainment one evening. Registration will open on February 1<sup>st</sup> on the NCCC website.

After the convention presentation, Andy Alleshouse, Regional Executive called the general meeting to order. This was followed by the Pledge of Alliance and participant introductions. Treasurer's and Secretary's reports were presented and with no corrections they were approved.

Valerie Cifuni, Regional Treasurer, had presented a proposed 2022 budget at the prior meeting. There had been recommended modifications which she incorporated into a revised budget which she distributed to attendees for review. With no discuss a motion was made to accept the proposed 2022 budget which was approved.

Rocky Alleshouse had attended the national governor's meeting as the proxy for Brian Gallagher and have the following report:

The proposed 2022/2023 Competition Rule Book was not approved, therefore, for at least 2022 we will continue to use the 2020/2021

rule book.

Max number of sanctions allowed per day will remain at 7. No more than 3 sanctioned concours events can be held per day. Re-mailing sanctions can be fun shows.

C8 Convertibles, High Speed and Concours: In a high speed event a roll bar is required. The Concours section was tabled until the February 2022 meeting. The issue is how to judge engines in convertibles compared to coupes, when you cannot see the engine in a convertible.

Then the focus of the meeting changed to the selection of sanction event dates for next year. I had requested May 22<sup>nd</sup> for a double autocross, June 26<sup>th</sup> for the Stauffers Show, and September 25<sup>th</sup> for the American Legends Show. There was no conflict on the autocross or Stauffers Show, however, another club had also requested to hold an event on September 25<sup>th</sup>. Fortunately, our club finished higher in regional points allowing LCCC to obtain the requested date.

Elections were held for 3 positions with Andy Alleshouse remaining Regional Executive, Valerie Cifuni remaining Regional Treasurer and Andre Balanc replacing Brian Gallagher as Regional Competition Director.

With no further business a motion to adjourn was made and passed.

## Membership Report—Scott Lewandowski

Please remember to use our LCCC business cards in this effort to invite fellow Corvette enthusiasts' to join us. I will have the cards at each monthly general meeting.

Please send any personal data changes for our records to me: Scott Lewandowski, Membership, at [slewand18@gmail.com](mailto:slewand18@gmail.com) and copy Clyde Mooney, Governor, at [mooneyvette1966@aol.com](mailto:mooneyvette1966@aol.com), so we can accurately maintain our Club's Roster. That al-

so goes for any inquiries regarding your membership status.

Please welcome our newest members:

Thomas and Anne Coury - 2021 Coupe  
Peter Sebergandio - 2014 Coupe  
Tim and Darla Shreiner - 2021 Coupe

## President's Message—Kurt Steidle *(continued from page one)*

spring turned to summer, we were able to get back to most of our typical activities. For those of you who participated you already know of the fun we had throughout the year. For those who did not participate, the loss is yours. I have written previously about the known benefits of being social and interacting with others.

Moving into 2022, we are planning once again to hold our 'usual' activities of three autocrosses, the Corvettes at Stauffers Show, American Legends and another Raffle Car. Along with that are the parades, cruises and picnics that we enjoy. This year, as part of belonging to the East Region of the National Council of Corvette Clubs, our club will host the low speed autocross event at the 2022 NCCC Convention in Atlantic City. For the rest of 2022, Activities Chair Marvin Fox will hold a planning meeting in the coming weeks to sort out the plan for 2022.

In the meantime, we can look forward to Jeff Murphy's annual extravaganza, *The Price Is Right, Barrett-Jackson Edition*. For more years than I know of, Jeff has created this outlandish contest that com-

bins our interest in Corvettes with the annual Barrett-Jackson Scottsdale auction and his daily commentary that everyone enjoys even if you do suffer the pointed end of his...keyboard.

Looking out to March, we will return to our Awards Banquet. Please get your nominations in as we need to order the awards with enough lead time to have them prior to March 5th.

Lastly and at the risk of sounding like a broken record, if you are not yet vaccinated please take action, now! Lancaster County and the surrounding South Central Pennsylvania area has backslid into overrun hospitals and this area has the worse infection rate in the state. Even if you are vaccinated, there are risks created by those who shun the vaccine.

I am looking forward to 2022 and having another great year of our Corvette community. I hope you are too.

# The Night Before Christmas LCCC Style—Steve Witmer

Twas 16 nights before Christmas and  
who could forget

Almost a year of memories for us  
and our Corvette

Our Corvettes are now safely in our  
garage

Safe from the onslaught of winter's  
barrage

Our meetings were held with Covid  
prevent

Our year kicked off without any event

Whitmoyer Auto our new club sup-  
port

Matt Beaver the boss became our  
consort

But the "Price is Right" made it's re-  
veal

In March we kicked off with a lot of  
appeal

Jesse Landis won Jeff Murphy's  
game harrowly

Barry Whitcraft was second so very  
narrowly

Our direction then turned attention

To our adopt the highway retention

President Kurt Steidle Duck Donuts  
he brought

We picked up trash a good job I  
thought

In May we started doing meetings in  
person

We all shrugged off the past year di-  
version

Our charity mission now became  
clear

We focused our attention to the rest  
of the year

The Stauffer show in June was a big  
success

Our hero Joe Schulter started the

process

Marvin had a huddle to start our ac-  
tivities

Volunteers came to the forefront and  
provided festivities

A trip down to Maryland a novice led  
the way

A funeral procession I heard some-  
one say

The socials at Sumpman's and King's  
went well

Many members and Corvettes lots of  
food can't you tell

A Rally around the county seemed  
lots of fun

Beverly and Michael, I heard that they  
won

In August we focused on the Corvette  
ticket raffle

Carlisle 15 minutes ended our  
scraffle

Lisa and Tony handled 1,000 for our  
show

The winner from Leola bet he won't  
drive in snow

There is no conclusion on the C8's  
racing yet

Clyde has been patient not much  
longer I bet

The Corvette Museum is a future trip  
maybe

For under a grand you can pick it up  
with envy

The Legends event dispersed 2 BIG  
checks

Mary Anne and Scott L. were never  
perplexed

With support from our group, it was  
all but decided

Chip Miller and Clare House were  
very excited

Jim Roberts One Lap racing added to  
our group

One Alligator dead oh my what a hoot

We had auto crosses with Scott and  
Rick

Reported lots of money and both

were quite quick

Parades are a bonus Galen sounds  
the alert

The drivers arrive to provide prestig-  
ious escort

Our girl's auxiliary led by Sharon &  
Joan

Work miracles together in the Santa  
Zone

Can't forget Sue our 50/50 collector  
Pays out cash to a willing acceptor

Mama Mia had great songs and a lot  
of frolics

The Christmas show music kept us  
entertained and rollick

Other cruises and events were very  
well tended

I can't list them all please don't be  
offended

I'm staying up nightly adding lines to  
this story

Time is passing I'm rambling don't  
worry

I'm almost finished bear with me now

Further pronouncements will be short  
I vow

To all the volunteers too many to  
mention

When you show up it relieves the ten-  
sion

We have a great group, and we all  
stick together

We thank you tonight we're together  
forever

For now, our Corvettes are all rested  
and nestled

Waiting the next time, we have some-  
thing special

We had many memories and a whole  
lot of fun

But as you all know there's a lot more  
to come

So tonight, we celebrate it seems  
quite right

Happy Christmas to all, and to all a  
good night

Many thanks to Boscov's at Park City for their assistance.

## National Corvette Museum News

During the historic storms on December 11, 2021, the National Corvette Museum was spared any significant damage. All staff – National Corvette Museum, NCM Motorsports Park, and NCM Insurance – were reported as safe.

Fifteen hours after the events, the curatorial team verified that all the artifacts and vehicles in the collection were reported secure. Thirty-six hours after the storm, all individuals with an artifact on loan to the Museum were notified that their loaned items were not in harm's way.

While much of the storm damage was isolated to the Museum's Amphitheater, the Museum was closed over the weekend while crews restored power, cleared roadways of debris, and ensured that our areas were safe once again. We appreciate the calls, e-mails, and check-ins on our staff and institutions.

Our closure was necessary due to the circumstances, but we apologize for any inconvenience you may have encountered and appreciate your patience as we work through this unprecedented situation.

Unfortunately, the NCM Motorsports Park did not have the same fate as the Museum. The Motorsports Park is temporarily unsafe to welcome guests, and all activities are suspended until further notice. Insurance adjusters and crews have begun the assessment and clean-up efforts to help determine our rebuilding plan of the affected areas. Our hearts are with those across the Commonwealth who these storms have impacted. Anyone who wishes to assist the Bowling Green community can learn to support by visiting [bgky.org](http://bgky.org).

\*Note: The Museum nor Motorsports Park can comment on the status of the Assembly Plant but appreciate all of those asking about their condition.

## New Undelivered C8 Corvettes Damaged

Recently, multiple states were devastated by powerful tornadoes that took far too much human life in a truly tragic disaster. That's obviously far more important than a bunch of cars, but it seems that quite a few new Corvettes also suffered some serious damage at General Motors' Bowling Green, Kentucky plant. According to Corvette Action Center, that number totals around 122 units, though it very well might rise in the coming days and weeks.

As for the 120+ new Corvettes impacted inside and outside the plant, those cars are reportedly damaged beyond repair and will be scrapped. Dealers will need to re-submit their impacted customer orders through GM's Order Workbench System, though those orders will be moved to the front of the line once production is able to recommence. At the same time, there are a number of Corvettes that were sitting outside the plant that must also be inspected to determine if they can be saved. —*Corvette Forum*

## "The Price Is Right" Update

### 2022 Barrett-Jackson "The Price Is Right" Just Days Away!!!

By Jeff Murphy

With LCCC's "The Price Is Right" only a few days away, here's a little poem to "whet your whistle" and get you thinking about the fun that's in store:

This year's "The Price Is Right" at Barrett-Jackson,  
Guarantees to have some outrageous action.  
Guesses too low will sometimes burn the contestant,  
While guesses too high will often leave you repentant.  
There's just one thing worse than a score that keeps growing,  
And that's sitting it out, 'cause your "chicken" is showing.  
So plunge in head first, our game is sure to amuse,  
Besides nobody cares about your pitiful excuse!

Here are the highlights: Our contest will run from Tuesday, January 25th through Saturday, January 29th. The official entry form will go out via email blast no later than Saturday, January 15th, but might arrive earlier if your Gamemeister gets his act together. Entries must be submitted by 10:00pm EST on Saturday, January 22nd, so that team selection and data entry can begin. For a full overview of how our little game is played, contest rules, prizes, etc., see the intro article previously published in the December "The EnCorvette Review" newsletter, or ask any of our TPIR veterans.

NOTE: We are still looking for someone willing to host a Lancaster-based Saturday viewing party, which has traditionally been both a pot-luck and a hoot for those that attend. If you are interested, please let me know, and rest assured you can put whatever COVID vaccination requirements in place that you feel are best for all attendees.

Stay tuned!!
